

## Upcoming Sale of Ron Jasion's RC Hobby Equipment

How would you like to go to a flea market all in one close house visit that would satisfy any modeler? Here it is!!!!

The sale will be held at Ron Jasion's home on Saturday and Sunday, March 7 and 8, from 1:00 to 5:00 p.m. The Jasion's home is one block away from our house. Their address is 4603 Carroll Manor Road, Baldwin, MD 21013, which is off Manor Road, with Sweet Air Road at the other end.

There are more planes than we could take to Lebanon or Westminster, and more kits, planes, engines, parts and tools than we could fit in a truck. It is so unbelievable that you will have to see it for yourself .

Ron Stahl and Jack Stites will be the salesmen. No prices will be listed, but they are negotiable and all must be sold. Terms: Cash is requested, but large amounts may be paid by check.

Ron and Betty have agreed to have some serious cleaning out of Ron's hobby equipment.

Planes, kits and engines are listed below in the Airplane Inventory.

If you get lost, call Jack's cell at 410-591-6004 or Tina Jasion's cell at 410-375-7756 for directions.

Jack Stites, Friend and Neighbor
